To whom it may concern

Over the past 4+ years I have worked with Emerald Excavating at the Pinehills Development on numerous Water and Wastewater projects. Their record for quality of work is excellent.

I have tremendous respect for the Organization and its employees for the work they perform. It has always been my pleasure to work with them in the past, and I sincerely hope in the future.

The work they have performed at the Pinehills is on the attached sheet.

I would feel more than comfortable in securing their services and hope this letter serves them well as they truly deserve any opportunity that may be available.

Sincerely

George A Malonson
